******

Handel Cecilio – Organist, Harpsichordist and Pianist. Born in Brazil. He participated in several master classes conducted by a number of European organists. Outreach course on Spanish Baroque Organ Repertoire at Universidade do Estado de Minas Gerais – UEMG. Graduation in Piano from Universidade do Estado de Minas Gerais – UEMG. He started his postgraduate research in 2005, focusing on Pipe Organs from Colonial Brazil. Specialization degree in Brazilian Music from Universidade do Estado de Minas Gerais – UEMG, where he concentrated on organ repertoire's performance and performed the recital "Brazilian Composers for Organ". Degree in Historical Musicology from Universidade Estadual de Campinas – UNICAMP. Currently, PhD student of Music at UNICAMP (since 2009), writing a dissertation on "Pipe Organs, Organists and Organ Builders: a treatise of their history in Colonial and Imperial Brazil". He has carried out research on Iberian Organ Building and also attempted to preserve the history of the historical Brazilian Pipe Organs, which has led him to important discoveries and several related publications. He has been currently spreading information on Pipe Organs in seminars, lectures and master classes. Author of compositions for Solo Organ as well as for Organ and Trumpets. His compositions have been performed in Brazil, USA and Europe. Regarding musical performance, he has performed as Titular Organist in several Churches since 1978, and has also performed in Organ concertos in Brazil and other countries. He is professor at Minas Gerais Baptist University. **www.handelcecilio.com**
