

MUSIC AS A GREAT ALLY OF EDUCATION

Pianist Dr. Handel Cecilio is the March attraction of the Happy Hour Musical, at BH Shopping

Project aims to create a pleasant and cozy atmosphere for those who frequent the mall's gourmet plaza.

Good music, quality food and a special atmosphere. This is the proposal of the Happy Hour Musical project, at BH Shopping, which, since it was created last January, aims to provide the mall's frequenters with a differentiated and very pleasant experience on Thursday and Friday nights at the Gourmet Plaza, on the NL floor. Every month a classical pianist performs, and in March the music will be played by the renowned pianist and doctor in music Dr. Handel Cecilio, who is also the coordinator and creator of the project. According to Handel, customers can expect a wide repertoire, from classics to popular Brazilian and international music.
